GAP MEDICS

Our programs offer students interested in healthcare a genuine insight into the hospital work of doctors and nurses in Tanzania, Zanzibar, Thailand and the Czech Republic.

Gap Medics are offering an exciting project for students that are looking to apply for university courses in medicine, nursing, dentistry or midwifery. Gap Medics is a provider of short-term healthcare work experience placements abroad. Although based in the UK, its programs are open to students from all around the world. This organisation is dedicated to arranging hospital work experience placements for students who are applying to medical or nursing school in particular.

So, what does the project involve? During weekdays, students shadow highly skilled doctors in their day-to-day work on a fully-supervised hospital placement. Students will also have the benefit of clinical teaching, safe and secure accommodation, food, transfers in Tanzania or Thailand, local orientations, 24/7 support from Gap Medics support teams overseas and in the UK and lots of help with preparations for their trip too.
