SCHOOL TOURS

School tours are conducted most weeks throughout the school term. Tours commence at 9.15am on school days to provide prospective families with an opportunity to view the school in operation.

With the Principal as your tour guide, you will have the chance to discuss the College and ask any questions you may have. Tours take approximately one hour.

We also hold an Open Afternoon at the St Mary’s Campus. Teaching staff will have displays set up and guided tours are conducted by our current students.

The Open Afternoon is beneficial for prospective parents and students who want to view the school, meet and ask questions of our faculty and talk to current students about their experience at the College.

Bookings for our School Tours and Open Afternoon are essential. For further information, or to register for a school tour, please contact our College Registrar on 03 9321 9206. Registrations are also available on our website.

We always encourage parents to bring their sons on School Tours or to the Open Afternoon.

OUR VISION & VALUES

The Simonds Catholic College community, united in faith, inspires young men to become active, global citizens. Guided by Gospel values, we provide a safe and supportive learning environment in which each student is individually known. We challenge our students to become courageous, resilient and hope-filled.

Our vision is to develop confident, well-rounded young men who have hope for their future.

We Value:

Catholic beliefs and teachings, particularly those relating to justice, charity and compassion. We encourage everyone to give of themselves, allocating time and other resources to people who are in need, both within and beyond the school community;

pastoral programs that promote an appreciation for the whole person. We foster a spirit of mateship that strengthens through the school years, forging lifelong bonds;

respectful behaviour. We strive to provide a collaborative and supportive learning culture that recognises the dignity of each person. Respect for self, others and the environment is intrinsic to school life;

inclusivity, respecting people of all cultures, genders and religions who act in empathy with our values;

fully committed teachers who provide contemporary and purposeful learning for all students;

motivated students who actively pursue excellence and assume responsibility for their own learning.

"Dear Young People... Do not be afraid to dream of great things."  
(Pope Francis)
Established in 1996, Simonds Catholic College is the result of an amalgamation of West Melbourne’s St. Mary’s Boys’ Regional School and East Melbourne’s Cathedral College. We exist to provide an excellent Catholic education for boys in the inner-city area of Melbourne. A second campus, located in Fitzroy North, was opened in 2011 to cater for students in Years 11 and 12.

We are honoured to be the first school to be named after Justin Simonds, Archbishop of Melbourne 1963-67. Parish Priest of West Melbourne for 21 years, and the first Australian born Archbishop. His Australian heritage is most appropriate for our school, which aims to bring together boys from many different backgrounds and educate them towards maturity as responsible adults who are proud to be Australian. Justin Simonds was also a distinguished scholar and although he was only Archbishop of Melbourne for a few years, he made a substantial contribution to Catholic education at a time of great expansion in the number of Catholic secondary schools in the Archdiocese of Melbourne. Simonds Catholic College draws on the traditions of two excellent schools.

**St Mary’s Boys’ Regional School**

St Mary’s Boys’ Regional School began in 1855 as a primary school for boys. The school was located in the old St Mary’s Church. During the week a curtain was drawn across the middle of the church. On one side of the curtain was St Mary’s Girls’ School and on the other St Mary’s Boys’ School. All the teachers at the boys’ school were lay teachers. In 1902 the Christian Brothers were invited to administer the school which they did until 1985. A new school facing onto Howard Street was built in 1910. This school was further extended in 1970 and 1976 and the school gradually changed from providing primary education to catering for boys in Years 7-10.

**Cathedral College**

Cathedral College was so named because of its association with St Patrick’s Cathedral, it has both an old and unique history. Originally the college was the foundation college of the Christian Brothers in Australia and was opened in 1871. At the end of 1967, CBC Victoria Parade, known simply as Parade, moved to Bundoora. During that year the Archdiocese bought the site from the Christian Brothers following the decision to establish Cathedral College as a diocesan school. Cathedral College was administered by the Christian Brothers until it closed in 1995.

**College Crest**

The school emblem emphasises belonging, community and faith

- **Shield** - Expresses our identity as a community which shares a common faith and purpose.
- **Cross** - Reminds us of our membership in the Christian Community. The 3D effect symbolically reminds us of the multi-faceted nature of Christianity. These values include respect for self, others and the environment.
- **Laurel Leaves** - Symbolically used throughout history to represent victory and success, students will not ‘rest on their laurels’ – they’ll be known, supported and inspired on their path to a successful outcome.
- **Stars of the Southern Cross** - Symbolises our membership in the Australian community. We are responsible citizens who are proud to be Australian, who work towards creating a country where all people are valued and encouraged to achieve their best.
- **Gold** - Signifies our links with Cathedral College.
- **Red** - Signifies our links with St Mary’s Boys’ Regional School.
- **Blue** - Unifies the two schools, joined together to create Simonds Catholic College. It is also the colour traditionally associated with Mary and expresses our links with our parish Church, St Mary Star of the Sea.

PASTORAL CARE

The small size of Simonds Catholic College allows for boys to be individually known and appreciated for the unique persons they are. A wide variety of structures and processes have been established to promote a sense of belonging and wellbeing amongst the boys, especially those who are new to the College.

Pastoral Care Teachers

All students are allocated to a Pastoral Care class. The Pastoral Care Teacher is responsible for the welfare of each student in this class. For Year 7-10 students, the Pastoral Care Teacher is also likely to take them for one or more subjects.

Wellbeing at Simonds Program - W@SP

The Student Counsellor and Coordinator of Wellbeing is Mr Pascal Rohan. Mr Rohan established the Wellbeing at Simonds Program (W@SP) in 2015 and is available to assist students, parents and staff with any emotional or wellbeing needs that arise during their time at the College.

Student Representative Council

Boys from Years 7-10 nominate themselves to be elected to the Student Representative Council. In Years 11 and 12, Student Leaders are chosen from the whole student group. This group of students attend an annual, two day leadership camp and provide leadership for all students at Simonds Catholic College. The SRC organise many different activities across all year levels, including the annual Simonds Trivia Night and raising money for social justice activities.

Pastoral Classes

Boys in Years 7-10 have a Pastoral Class each week. The aims of this class are to support each boy’s social and emotional learning and to promote the wellbeing of all students. Year 11 and 12 students participate in a fortnightly Pastoral session.

Expectation of Students

As members of a Christian community we acknowledge the sacredness of our personal and communal lives. The expectations listed here aim to ensure that the rights of both students and members of staff are respected. They remind students of their responsibilities towards the development of a college environment in which excellence in teaching and learning are encouraged and supported.

Respect for Self

Respecting my own person enables me to grow in dignity and to achieve all that I am capable of achieving.

Respect for Others

By respecting others I enhance their self-esteem, help them to recognise their personal abilities, and support them in their learning.

Respect for the Environment

By respecting the environment I acknowledge the sacredness of God’s creation and my responsibility for its development.

Good Manners

Good manners are small habitual ways of showing the consideration one would wish for oneself and of making social life more pleasant.

**Enrolment Process**

The enrolment process of Simonds Catholic College operates within the Enrolment Guidelines of the Melbourne Catholic Education Office. Catholics receive priority when enrolling; however, we welcome enrolment applications from all religious traditions.

**Year 7 Entry**

If you select Simonds Catholic College for your son, the following steps need to be taken to enrol:

- Return fully completed **Enrolment Form** and any required documents to the St Mary’s Campus office.
- Attend an **Enrolment Interview** with the College Principal.
- **Letters of Offer** will be posted to families on the dates noted above.
- Upon accepting a place at Simonds Catholic College, an **Acceptance Fee** of approximately 10% of the annual tuition fee is payable to confirm your son’s enrolment. A further 10% **Confirmation Deposit** is due at the Information Evening, which is scheduled in November in the year prior to your son commencing at the College. While both the Acceptance Fee and Confirmation Deposit are non-refundable, the combined amount is allocated to the student’s College Account, reducing the amount payable in Year 7.

**Guidelines for Enrolment of Year 7 Students**

Simonds Catholic College draws its enrolments from Priority Parishes allocated by the Catholic Education Office. Some parents living in other Parishes choose to enrol their sons at Simonds rather than their local regional college for a variety of reasons, including the College’s central location for transport and parental work, its small size, particular curriculum offerings and emphasis on pastoral care.

**Enrolment Criteria**

Boys will be offered a place in Year 7 in the following order of priority:

- Catholic boys who live in a Priority Parish and attend a Catholic Primary school.
- Catholic boys who live in a Priority Parish and who do not attend a Catholic Primary school.
- Catholic boys who do not live in a Priority Parish and wish to attend Simonds for pastoral reasons.
- Non-Catholic boys who have attended a Catholic primary school and are residents of the catchment area.
- Boys from non-Catholic Eastern Churches who attend a Catholic Primary School.
- Boys from non-Catholic Eastern Churches who do not attend a Catholic Primary School.
- Non-Catholic boys who have not attended a Catholic primary school and are residents of the catchment area.
- Non-Catholic boys who do not live in the catchment area.

**Note**

- Siblings and applicants whose sister attends / has attended either St Aloysius College or The Academy of Mary Immaculate will receive special consideration.
- Priority will be given to those families who submit enrolment applications by the due date.
- Families who submit late applications may be placed on a waiting list.

The above Enrolment Criteria will then apply to the waiting list.

**Year 7-12 Mid Year Entry**

Mid year enrolments for Years 7-12 can be accommodated if places are available. Once an Enrolment Form and the required documentation has been received, the Principal will conduct an interview with the student and his parents/guardians. Upon acceptance, a non-refundable Acceptance Fee of 10% of the annual tuition fee is payable prior to commencement at the school. This amount paid will be deducted from the first tuition account.

VCE - Victorian Certificate of Education

By Years 11 and 12, students have developed preferred areas for their learning. Students are able to tailor a program suited to their needs and career aspirations. The emphasis in Years 11 and 12 is on the pursuit of academic excellence as they study for the Victorian Certificate of Education. The curriculum at Simonds allows students to complete their VCE program over Years 10, 11 and 12.

VET - Vocational Education and Training, as part of a VCE or VCAL program

In addition to the VCE studies, a range of VET (Vocational Education and Training) studies are offered through the Inner Melbourne VET Cluster (IMVC). These studies allow for the completion of the VCE and a vocational certificate course normally provided to school leavers at a TAFE College.

VET programs should be of particular interest to students wishing to:
- Complete their VCE, obtain an ATAR and keep tertiary options open
- Undertake studies with a vocational focus that includes workplace learning
- Complete a nationally recognised TAFE certificate course

The programs are delivered at a number of venues in the inner Melbourne area. Students and parents should be aware that VET studies attract additional fees. Costs will vary according to the VET program selected.

Programs offered through the IMVC may include:

- Certificate II in Agriculture
- Certificate II in Applied Design in Industry
- Certificate II in Automotive Technology
- Certificate II in Building and Construction
- Certificate II in Business Administration
- Certificate III in Clothing
- Certificate II in Community Recreation
- Certificate II Community Services
- Certificate II in Electro-technology
- Certificate II Engineering Studies
- Certificate II in Furnishings
- Certificate II Hospitality
- Certificate III in Information Technology
- Certificate III Multimedia
- Certificate III in Music Industry

Further information about each of these VET courses is available on the IMVC website - www.imvc.com.au

VCAL - Victorian Certificate of Applied Learning

The Victorian Certificate of Applied Learning (VCAL) is a nationally recognised certificate. It is a hands-on option for students in Years 11 and 12. In Year 11 students complete the Foundation and Intermediate level of the VCAL and in Year 12 students complete the Senior level of the VCAL.

The VCAL gives students practical work-related experience and industry skills, as well as literacy and numeracy skills and the opportunity to build personal skills that are important for life and work.

Why Would You Choose to do the VCAL Instead of the VCE?

The VCE is a good option for students who would like to go on to further education at university. However, you might feel that this is not the right option for you.

Just like the VCE, the VCAL is an accredited senior secondary school qualification undertaken in Years 11 and 12. The VCAL is based on hands-on learning, also known as ‘applied learning’.

If you choose to do the VCAL, you will gain practical experience and ‘employability’ skills, as well as the skills you will need to go onto further training in the workplace or at a TAFE.
2017 FEE SCHEDULE

At Simonds Catholic College we provide quality education and facilities at an affordable price. We often get asked how we are able to keep our fees lower than similar schools in the area. Due to our efficient and considered resourcing and strategic financial planning we are able to offer a wide range of programs similar to other schools. Our smaller size and inner city location also helps keep our fees low as we are able to make use of a variety of sporting, educational and cultural facilities in close proximity to our school, without the cost associated with maintaining the same facilities in-house.

Annual Fees

Annual fees are inclusive of tuition costs, materials for practical subjects, entrance fees and transport to and from sporting activities, camps, retreats, compulsory school excursions and costs of guest speakers and performers.

An Information Communication Technology (ICT) Levy of $120 is applied to students in Years 7-10.

Students who study VET will be required to pay an additional fee, dependent on the VET subject and provider chosen.
